📄 PRINCE NEGI

📞 7889564201 | ✉ princenegi11179@gmail.com
🔗 [LinkedIn](#)
📍 Dehradun, Uttarakhand

🎯 Objective

Motivated and curious B.Tech CSE (AI & ML) student at DIT University seeking an internship opportunity to apply and expand my knowledge in machine learning and software development. Passionate about solving real-world problems using AI, and eager to contribute to innovative tech-driven projects.

🎓 Education

B.Tech – Computer Science and Engineering (AI & ML)
DIT University, Dehradun, Uttarakhand
Expected Graduation: 2027
Current CGPA: 7.9/10

💻 Technical Skills

- **Programming Languages**: Java

- **Soft Skills**: Public Speaking

- **Other Skills**: Artificial Intelligence, Machine Learning, GUI Development, Algorithm Design

---

🛠 Projects

Graph Algorithms Visualizer – GUI for Prim's and Kruskal's Algorithms
Tools/Technologies: Java, Swing, Data Structures
Developed an interactive Graphical User Interface to demonstrate the working of Prim's and Kruskal's Minimum Spanning Tree algorithms. The application visually represents graph construction, node connectivity, and step-by-step algorithm execution, enhancing learning through intuitive visualization.

🎖 Certifications & Achievements

2nd Rank – UTSE (Uttarakhand Talent Search Exam)
Conducted by IIT Roorkee
Secured 2nd place among hundreds of participants in the competitive state-level talent exam. Recognized for analytical thinking and aptitude in science and mathematics.

🗡 Additional Information

- Open to relocation for internship opportunities.

- Quick learner and strong team collaborator.

- Actively exploring projects in deep learning and neural networks.
